## LAYMEN ATTEND ANNUAL SESSION OF CHURCHMEN

(Continued from page one)

representation of the laity. These sta-  
tutes have not been put in force ex-  
cept in matters where they could not  
be ignored since the American church  
took possession in 1902 and so in the  
debates which occurred a general  
knowledge of the whole cathedral  
system and its adaptation to Ameri-  
can needs was brought out.

The cathedral chapter is presided  
over by the dean who is appointed  
by the bishop or is the bishop himself.  
At St. Andrew's cathedral, the bishop  
is the dean until he decides to make  
other appointment. The chapter is  
composed of three clergymen and  
three laymen and at present consists  
of the Rev. Canons Wm. Ault, W. E.  
Potwine and John Usborne and  
Messrs. H. M. von Holt, Robbins B.  
Anderson and H. W. M. Mist. The  
canons are nominated by the bishop  
and elected by the chapter. The laity  
are elected by the annual convocation  
so that the diocese is vitally interest-  
ed in the diocesan church which the  
cathedral is intended to be.

It is singularly fitting that Messrs.  
von Holt and Mist should be on the  
chapter. Mr. von Holt's grandfather,  
Thomas Brown, was one of the origi-  
nal officers of the cathedral and Mr.  
Mist's father, Captain Mist, was an  
officer of the cathedral for many  
years. Memorials of both Thomas  
Brown and Capt. Mist are in the cathe-  
dral. Mr. Mist is a vestryman of  
St. Clement's church. The chapter is  
fortunate in having as a member Mr.  
Robbins B. Anderson who has made  
a close study of the whole subject of  
the cathedral and who is assisting in  
the preparation of the statutes as  
adopted studied the statutes of nearly  
every American cathedral.

The cathedral chapter has general  
charge of the cathedral fabric, espe-  
cially of the chancel and choir. It  
has also a special charge of all me-  
morials which may be proposed to be  
placed in the buildings. The diffi-  
culty which arose in adapting the  
statutes to conditions lay in the fact  
that the cathedral is not endowed  
sufficiently to be independent of the  
financial support of those worshipping  
in it. The congregation is organized  
as a parish and the statutes give that  
parish a right to the use of the cathe-  
dral at certain hours on Sunday. It  
also gives a right to the Hawaiian  
congregation, the hour for worship  
being arranged by the dean. It gives  
all clergy connected with the cathe-  
dral or who may be in school work  
connected with the diocese a seat in  
the chancel of the cathedral and the  
right to perform certain services  
therein at times set by the bishop.

Connected with the convocation on  
Monday was the conference on Chris-  
tian education. The subjects pre-  
sented brought forth a lively discus-  
sion and most divergent views were  
uttered in regard to the use of the  
Sunday school. Some believe that  
what children needed most of all was  
to learn to worship which they did not  
learn in the ordinary Sunday school.  
Chaplain William R. Scott gave a  
brilliant address about the difficulties  
of teachers and the Rev. F. W. Merrill  
aroused great interest in the system  
of catechetical instruction used by him  
in places where he has 60 or 70 chil-  
dren to instruct in one class.

The great day of the convocation  
was on Tuesday when the annual  
meeting of the woman's auxiliary and  
guilds was held. The reports of work  
were most encouraging and the money  
value of the work was far larger than  
last year. The auxiliaries working to-  
gether had reduced the debt on the  
Lahaina parsonage by paying \$500.00.  
They had assisted in progressive work  
of the church of all kinds.

Mrs. C. M. Cooke, Jr., read a syn-  
opsis of guild reports. It surprised  
a great many to learn that the guilds  
of the Episcopal church in these  
islands had raised for church work a  
sum reaching nearly \$6000.00. The  
money was largely spent in reducing  
debts, providing furniture for schools  
and houses in which workers live. The  
women were deeply interested in hear-  
ing a Korean Bible woman, connected  
with St. Elizabeth, make an address in  
English. They were quite carried  
away when Miss Marguerite Miller  
told of her work among women and  
girls at Kapahulu.

Miss Schaefer of the Japanese  
work, Mrs. Blue of the Cluett house,  
Miss Schroeder of Kaimuku were  
among those new to the auxiliary who  
won special applause, though the  
meeting did not forget to express warm  
regard for the older workers who told  
briefly of what they were trying to  
do. The number of women in attend-  
ance was larger than ever before. The  
luncheon served by Mrs. J. P. Melan-  
by was enjoyed by two hundred peo-  
ple in the large dining hall of St.  
Andrew's Priory. The dinner given  
by the Churchmen's club last night at  
the University club building was en-  
joyed by a larger number of men than  
on any previous convocation, and a  
great deal of enthusiasm was mani-  
fested.

This story of the convocation should  
not close without reference to the  
services of some of the officers. The  
Rev. Canon W. E. Potwine has been  
secretary since 1905 and has been of  
great assistance to the bishop in his  
careful and accurate work in his of-  
fice. The report of John Guild as  
treasurer of the church corporation

## UNEXPENDED FUND USED TO BUILD HOSPITAL

A much-needed increase in accom-  
modations at the department hospital,  
Fort Shafter, which takes care of  
most of the serious cases in the Ha-  
waiian department, is in prospect, ow-  
ing to an unexpended balance in the  
fund provided for hospital construc-  
tion and maintenance, at the disposal  
of the surgeon-general of the army.  
About \$120,000 remains in this fund,  
and after considering the needs of  
many military hospitals throughout  
the country, it was decided to expend  
this sum in the improvement of Oahu's  
sanitary plant.

At the present time the Fort Shafter  
hospital has 120 beds, and it is fig-  
ured that the department requires at  
least twice this accommodation. Three  
additional wards, an operating pavil-  
ion, a dormitory, and an isolation  
ward include the contemplated im-  
provements. The additional build-  
ings will be built between the present  
wings and the main road, this being  
the only land available.

The work is to be done by contract,  
and local tenders have been asked  
for. It is necessary that the contract  
be let by June 30, as on that date the  
appropriation will lapse. Had more  
latitude been allowed in the way of  
time, it is possible that the work might  
have been done by the "purchase and  
hire" method, which was used in a  
good deal of the construction work,  
but now, owing to the short notice, it  
is necessary to do the work by con-  
tract.

Barracks for two more regiments at  
Shafter, four companies of Coast Ar-  
tillery at Kamehameha, and another  
regiment of infantry and one squadron  
of Cavalry are in prospect, when the  
sundry civil bill, now before Congress,  
becomes a law.

SALE PLANS COMPLETED.  
Plans for a sale which the Catholic  
Ladies' Aid Society will hold Sat-  
urday in the Progress Block, Fort and  
Beretania street, the proceeds of  
which will be devoted to the Kailhi  
orphage and the general fund of the  
organization. Preparations are being  
made to make the affair one of the  
most attractive of its kind ever held  
in Honolulu and a strong committee  
is in charge of the details. The read-  
ing of reports covering the work done  
during the past month, made up the  
remainder of the business of the ses-  
sion.

is always a masterpiece of scientific  
accounting and it showed this year  
the property owned by the church at  
a low estimate is valued at \$600,000,  
which is a sixfold increase in twelve  
years. The report of Reynold B. Mc-  
Grew as treasurer of convocation was  
a remarkable one, showing no parish-  
es or missions delinquent and more  
money given for general and diocesan  
missions than ever before.

While there is natural satisfaction in  
the material growth, yet it was fre-  
quently emphasized that material  
growth was not always accompanied  
by spiritual progress. However, as  
far as figures can tell, the Episcopal  
church has had a steady and strong  
growth during the past twelve years.  
The number of baptized members is  
reported to be 3496 and this does not  
include very many scattered people.

In counting communicants for sta-  
tistical purposes names are omitted  
of those who have not received the  
holy communion within a reasonable  
time. None of the returns are padded  
but on the contrary they are constan-  
tly scaled down so that a real judg-  
ment can be formed from a study of  
them. In the past twelve years the  
communicants have increased just  
threefold or three hundred per cent,  
which means a growth of 25 per cent  
per annum. Of course, the growth at  
this rate is largely due to the fact  
of the very rapid additions to the  
church in the early days of Bishop  
Restarick's episcopate when a great  
many announced their attachment to  
the church in 1902. It must be remem-  
bered that it is not the general prac-  
tice in the Episcopal church of re-  
quiring letters of transfer but a man  
or woman who comes to Honolulu im-  
mediately recognizes some church  
home and comes to the holy commu-  
nion if they so desire. That is to say,  
that church ideas prevalent in the  
minds of the people is not a congrega-  
tional one but a catholic one. They  
are members of the church wherever  
they may go and retain their rights  
and privileges as churchmen.

Last night the bishop, in a brief  
address, spoke feelingly of his appre-  
ciation of the loyalty and good spirit  
and earnest helpfulness of the laity.  
And he has been deeply blessed in  
the loyal, faithful clergy whom he has  
gathered as co-workers.

Those who knew the Episcopal  
church here 12 years ago and today  
will recognize at once what its growth  
has been not only on the material side  
but in the influence and its work for  
the moral, physical and spiritual up-  
lift of all classes of people and all  
races in the Hawaiian islands and its  
plans are to enter more largely into  
aggressive work in the future.

Rev. Philip T. Fukao, a Japanese  
who has been in deacon's orders, will  
be ordained to the priesthood next  
Tuesday morning at 11 o'clock in St.  
Andrew's cathedral. Mr. Fukao has  
passed all his examinations in a most  
satisfactory manner.

Up late last night? Dull, heavy  
headache this morning? Don't worry,  
take Shac—one water—one swallow  
of water—relief in a minute—after-  
treatment.

## REPUBLICANS TO START CAMPAIGN ACTIVITIES NOW

Republican activity for the fall  
campaign will begin tonight with the  
precinct clubs throughout the terri-  
tory. Officers of the clubs and dele-  
gates to the coming territorial plat-  
form convention are to be nominated.  
The official call of Chairman R. W.  
Shingle of the Republican central com-  
mittee sets forth the objects of to-  
night's meeting as follows:

"Pursuant to the rules and regula-  
tions of the Republican party of the  
territory of Hawaii, the Republican  
precinct clubs throughout the terri-  
tory of Hawaii are hereby notified to  
meet, at 7:30 p. m., on the 4th day of  
June, A. D. 1914, for the purpose of  
making nominations for officers of the  
club and delegates to the territorial  
convention. The nominations shall be  
open from 7:30 to 8 o'clock p. m., and  
shall be filled in writing with the  
chairman of the meeting. The per-  
sons so nominated shall be voted for  
at the primary election to be held in  
each precinct on Thursday, June 11th,  
1914, between the hours of 7:30 and  
8:30 o'clock p. m.

"The territorial convention will  
meet in Honolulu, Territory of Ha-  
waii, on Monday, the 13th day of  
July, A. D. 1914, at 10 o'clock a. m.,  
for the purpose of adopting a party  
platform and for such other business  
as may properly be brought before it."

While on the surface there appears  
comparatively little interest in to-  
night's meetings, the Republicans  
throughout the territory are begin-  
ning to beat themselves and are  
promising to make the fall campaign  
a lively one. Party leaders declare  
that the Democratic fights and re-  
peated fiascoes during the last 18 months  
have made the success of the Republi-  
cans this fall a practical certainty and  
the G. O. P. clans are already gather-  
ing for the fray.

Secretaries of the Republican clubs  
on Oahu are asked to telephone the  
results of their meetings to the press.
